WEEKLY PLANNER

WEEK OF

A vertical calendar page for April 2024. The days of the week are listed on the left in a dark blue color gradient: Sunday (lightest blue), Monday, Tuesday, Wednesday, Thursday, Friday (brightest blue), and Saturday. The background is a light blue color with a faint, semi-transparent illustration of a person sitting at a desk, facing a computer monitor, with a keyboard and mouse in front of them.

The image shows a light blue notepad page with a wavy border. At the top center, the word "PRIORITIES" is printed in bold, black, uppercase letters. Below the title, there are five horizontal blue lines spaced evenly apart for writing notes. In the background, there is a faint white sketch of a pencil and an eraser, positioned diagonally across the page.
